## **SYSTOCHEM LABORATORIES LTD.**

Pharmaceuticals Manufacturer, Exporters & Govt. Suppliers

### **ABOUT US**

**SYSTOCHEM LABORATORIES** is a **WHO GMP** certified company and is manufacturing Pharmaceutical formulations since 1996. The company is into manufacturing and development of pharmaceutical formulation under almost all dosage forms and categories of drugs, manufacturing more than 300 products.

The plant is located in periphery of New Delhi the capital of India, having unique manufacturing capabilities under one roof. With state of art manufacturing plant with latest and most advance machineries the company is a global player in Pharma segment and have garner indispensable name in the domestic and International markets being among the top pharmaceutical company in India. Due to its regular up-gradation of its manufacturing capabilities the company has managed to register more products overseas.

The company is producing quality medicines at reasonable prices keeping in view of its cooperate philosophy.

Systochem has a pool of highly qualified professionals responsible for the smooth running of plant and quality adherence. The plant has 50 professional staff for its complete manufacturing operations and more than 200 skilled and semi-skilled workers working for it.

Our branded pharmaceutical formulations enjoy steady demand in following countries:

**Asia:** Philippines, Vietnam, Srilanka, Indonesia, Malaysia, Cambodia, Iraq and Papua New Guinea.

**Africa:** Uganda, Nigeria, Ghana, Malawi, Zambia, Kenya, Mozambique, Mauritius, Madagascar, Angola and Guinea, etc

### **CONTRACT MANUFACTURING**

The company undertakes various contract manufacturing activities on third part basis in the field of manufacturing and formulation development of new and existing products. The company is presently doing contract manufacturing for various companies on their given brand names and varied packaging requirements.

The company is equipped with most modern infrastructure with latest machines to undertake such activities. The company has a large production base to entertain such request on timely manner. Due to huge capacity of **SYSTOCHEM**, it is capable to undertake timely deliveries of the products produced for our clients.

### INFRASTRUCTURE

The company is having all the required infrastructure to manufacture the products as per WHO GMP requirement and complies to EU GMP norms. The company has a built-up area of about 50000 sq. feet for production and storage of its products spread over 6000 sq. feet of Area.

The infrastructure includes dedicated HAVC systems with environment control (temp and humidity) at individual production steps and auxiliary areas. Complete water management system with loop, separate storage and supply management system for each categories of drugs.

Services including compressed air, refrigeration, electricity generation, purified water plant, distillation plant, ETP plants and boiler for steam generation are provided in the engineering block.

**SYSTOCHEM** invests almost 40% of its Annual Profits in latest plant and machinery along with training of technical personnel ensuring continues upgrade of the of quality of its products in line with excellent technology.

### MISSION:

At **SYSTOCHEM**, our mission is...

1. To achieve highest end-consumer satisfaction by providing quality products at affordable prices.
  2. To provide new solutions for the age-old and new disorders and diseases by comprehensive Research and Development work.
  3. To remain up to date with the latest knowledge and technology in the pharmaceutical industry.
- And above all, our highest goal is to strengthen the health of the country and the entire world by our range of products and services.

### VISION:

1. To finish the journey of being the most trusted name in the pharmaceutical industry, which we started two decades back.
2. To keep on providing new age solutions for the healthcare industry.
3. To mark our presence in the highly regularized pharmaceutical markets such as USA.

### QUALITY POLICY:

At **SYSTOCHEM**, we understand the true value of the human life. The complete trust, a patient puts into our products, is the highest level of satisfaction for our dedicated team of professionals. Our confidence in the products we provide is due to our one hundred percent efforts in the QUALITY of these products. We

# A WHO-GMP CERTIFIED COMPANY

## **SYSTOCHEM LABORATORIES LTD.**

Pharmaceuticals Manufacturer, Exporters & Govt. Suppliers

strictly follow the GMP, GLP and GCP guidelines.

With fully dedicated QA (Quality Assurance) and QC (Quality Control) departments, our products meet the international standards at any point of time.

Weather it is storage of the raw materials, transfer of these materials, manufacturing, packing or final storage of the finished goods, we have "zero tolerance" policy for the QUALITY of the products.

### **HUMAN RESOURCES:**

Our main strength which is the QUALITY of our products is due to the expert employees working for the betterment of the world. Our dedicated QA QC people, qualified team of scientists, and the manufacturing workers are highly trained and experts in their respective fields. Apart from the pre-employment training, our employees also undergo training at different intervals of time to stay up-to-date with the new developments in the industry.

**Our management is a perfect blend of experience and modernity making Systochem a strong competitor in the market.**

### **PRODUCTION CAPACITY:**

<b>PRODUCTION UNIT</b>	<b>ANNUAL PRODUCTION CAPACITY</b>
Small Volume (Ampoules) Injections	100 Million
Small Volume (Liquid vials) Injections	20 Million
Sterile Dry Powder Injections	20 Million
Ophthalmic Eye/Ear Drops	20 Million
Skin Creams/Ointments/Gel	25 Million
Ophthalmic Eye Ointments	20 Million

# A WHO-GMP CERTIFIED COMPANY

## SYSTOCHEM LABORATORIES LTD.

Pharmaceuticals Manufacturer, Exporters & Govt. Suppliers

### TERMS & CONDITIONS

- **PRICE:** The prices in this price list are the maximum prices applicable at the time of issue of this price list . These prices are non-binding and subject to alteration without notice by SYSTOCHEM. We reserve the right to invoice goods at prices prevailing on the date of dispatch.
- **TAXES AND DUTIES:** Prices indicated in our price list are exclusive of GST. Please note that all other government levies and charges, whether existing or in the future, will be charged additionally as per the laws in force from time to time.
- **COMPLIANCES:** The distributors / customers / end user should comply with all applicable statutory requirements, including the extant statutory requirements of national, state and local governmental and judicial bodies, including obtaining the required licenses, permits, no-objections, consents, statutory orders and notifications etc., while placing the orders for the goods as well as when the goods are promoted, purchased, stored, transported, handled and/or used.
- **RESTRICTED PACKS:** Orders for products must be in exact quantity of respective product shipper sizes. Orders for partial shipper quantity may not be entertained.
- **FREIGHT:** All orders for range of SYSTOCHEM laboratories Ltd shall be sent FOR Despatching Station by road transport.
- **DELIVERY:** While every reasonable effort will be made to adhere to delivery date specified by the customer, SYSTOCHEM will not be responsible for any delay due to circumstances, which are in its opinion, beyond its control.
- **PASSAGE OF TITLE AND RISK:** The title and risk shall pass to the customer on receipt of goods by them or their agents or their nominated transporters.
- **AMENDMENTS/CANCELLATION:** All orders are subject to a written acknowledgment from SYSTOCHEM. No amendment or cancellation of orders will be accepted once the goods have been packed.
- **PAYMENT OF INVOICE:** The payment of invoice shall be made by the customer within the time period and in accordance with the manner as agreed with between SYSTOCHEM and the customer. SYSTOCHEM reserves the right to discontinue/recall delivery and do all such actions against the customer as are permitted to it under the laws of India for recovery of fully or partly-unpaid invoices.
- **BULK REQUIREMENTS:** All bulk enquiries from actual users / dealers can be considered at special prices for the specific needs of the user based on mutual agreements between users/dealers and SYSTOCHEM. The delivery period in such cases will be confirmed at the time of finalisation of order.
- **CONFLICT:** In the event of any conflict between this General Terms and Condition of Sale and specific agreement, if any, entered into between Systochem and a customer, the terms of such specific agreement shall prevail.
- **ARBITRATION, GOVERNING LAW AND JURISDICTION:** Any dispute arising out of this General Terms and Condition of Sale shall be settled through arbitration under the Arbitration and Conciliations Act, 1996 by a sole arbitrator appointed by Systochem. The venue of such arbitration shall be at New Delhi.
